Endorses

Richard Horowitz

For District Court Judge

“While all three candidates are well qualified for the job, Mr. Horowitz is the best qualified. For 19 years he has been a legal aid attorney in New York City, where he has handled more than 15,000 cases. The amount of knowledge and experience that comes with working as a legal aid attorney is enormous. Add to that a wealth of experience with all kinds of people and every type of situation, and Mr. Horowitz is uniquely qualified for district court judge. The *News* endorses Mr. Horowitz ...”
